VOL. XII. No. 2340

Three Months For An Assault On Deaf Mute.

BENOWITZ AND SOUZA MADE EXAMPLE OF

W. O. SMITH APPEARED ON BE-HALF OF POOR BOY WHO WAS STRUNG UP BY A ROPE.

The cases of A. Benowitz and M. Captain Unus was at the tiller him-Souza, the two Portuguese toughs who self and had a hard time holding on cruelly lil-treated Moauliilli, the deaf while the waves swept over him. Sudand dumb bootblack, at Panoa last Sat-urday, came up in the Police Court ers, swept clean over the schooner,

on, testified that he had seen Moan- into the angry waves. dilli just after the assault had taken place. His neck at that time bore red Deputy Sheriff Chillingworth testified wat the defendants, just after their arrest, had admitted to him that they has handled the boy roughly but has said that they did it because Mosuililli was a bad boy. The complaining witness could not give evidence, as he is dear and dumb.

Benowitz on the stand stated that he and tied Meauliilli's feet together with port until after New Year, a rope and had thrown the other end over a beam while Souza held on to it. He had then given Moaulilli to under stand that he was going to string him then cut the rope himself and attacked Senewitz with a knife so that he had to throw bim down. Benowitz absolutely denied having tied the rope around Moaulillii's neck or to have strung him up. Souza's testimony was to the same effect as that of Benowitz.

W. O. Smith, after asking the court's the prosecution as he took an interest in the case. The complaining witness was deaf and dumb and therefore un-able to protect himself.. It was the duty of all good citizens to protect

He asked that the court sentence the defendants with sufficient severity. Deputy Sheriff Chillingworth stated that in his opinion the defendants ought not to be fined, as this would only tend to punish the parents, who would pay the fine. The defendants lines. ought to be imprisoned

Judge Wilcox stated that deeds of Judge Wilcox stated that deeds of violence were getting altogether too frequent lately and that he was going SUSPICIOUS KOOLAU FIRE to put a stop to them by punishing the offenders severely. He further stated Judge Wilcox made particular men-

loon and burned firecrackers on his yesterday to make an investigation In that case, the Judge said, the defendats, after being severely dealt with in his court, had appealed to the Circuit Court and had obtained relief, as the prosecution did not care to ebration committee, who was met about prosecute them much, one of the de 10:30, expressed a dubious opinion

The judge then sentenced the defendants to three months' imprison-ment with hard labor each. An ap-

A ROUGH EXPERIENCE

SWEPT TROUBLE FROM THE SCHOOL R LADY — HELD DESPERATELY TO

ert Kaalaea bay in Koolaapoko yes terday morning. Outside in the channel a fearful gale was raging. There was a high wind and the waves rose in great masses which swept over the deck of the small craft, flooding her from stem to stern

deck house and all, and carried the Clarence Smith, W. O. Smith's little captain off the deck and over the stern

Luckily, the native had taken the precaution to hold the end of a ropin his hand while he was minding the tion.

The Lady brings a cargo of 400 bags of rice from Koolau. She will stay in

position offered him by the tourist com-mittee of 'the Merchants' Association and Chamber of Commerce. Mr. Wilder's reasons are personal. His private plans are such that he finds it will be impossible to take up the work prosed in San Francisco for any length of time and he does not wish to tackle permission, stated that he assisted in the project without being free to see it through to a successful end.

The tourist committee has delayed

further action until the members can confer with F. C. Smith, of the Oahu railroad, who has just returned from the annual meeting of general passen ger agents. As Mr. Smith is fresh from the field and gave particular attention to the tourist question, it is anticipated that he can give many suggestions which will enable the business men to work upon most effective
